FINAL EXAM DATE & LOCATION

FINAL EXAMNote that the FINAL EXAM MIGHT NOT be held in our usual lecture meeting room. I will announce the room assignments for the final exam during the last two weeks of the semester. The time and date for the final exam is in the course schedule BUT NOT the time and date for classes meeting MWF at 2pm. The time and date is the special time for all 1000 and 2000 level math courses. If you have more than one such course then you have a final exam conflict which we will resolve during the last month of class.**

HOMEWORK: will be assigned from time to time and will be due on Wednesdays. Most quizzes will be on Wednesdays, but shorter quizzes may happen any time.
